

This is the story of a loving Husband and a Father of two beautiful little girls, a trusted friend, and a man who finds strength in his faith. Like many of us in today's world, he has had his ups and downs but never has lost his determination for a better tomorrow for his family. This story could be about anyone of us...but it is not. This story belongs to Chris Sheetz.

It was a beautiful July evening. Chris and his wife, Christy, set out to join their neighbors for a long awaited gathering. This was their time to forget about the bills. A time to forget about the pressures of starting a new business. A time to forget about being denied health coverage due to a minor pre-existing condition.

As the gathering was winding down, Chris and a few others decided to cool off by diving into the swimming pool. Chris was determined to be the first one in. He was, and his life has changed forever. As he dove into the pool, he hit his head on the side and broke his neck.

With his wife by his side, Chris was rushed to a nearby trauma center. While there, he endured 3 surgeries, was put on a ventilator to help him breath and told he would never walk again. He would never walk down the beach with his wife. He would never walk his daughters down the aisle on their wedding day.

Through his determination and the support of family and friends, Chris has made amazing progress. He no longer needs the ventilator; he gains more movement each day and has emphatically states that he will walk out of the rehabilitation center.

As Chris and his family begin to face the difficult challenges that lie ahead, they need all of our support and help. This could have happened to anyone of us.... but it did not. It Happened to Chris Sheetz.

How can you help?

Please participate in the Touchdowns For Chris fundraiser. It is simple. Commit to a dollar amount for every touchdown that USC scores this football season and sit back and watch the Trojans do the rest.

Additionally, everyone who participates in the fundraiser will be eligible for the end of the season drawing of USC Memorabilia. You will be supporting a very special cause and can win some very cool SC Football items.

To participate, please fill out the attached application, and mail or email back to me. You can pay by check or credit card.

It is our goal to raise \$100,000 by the end of the year. I thank you for your time and consideration, and look forward to whatever support you can provide.

Fight On!
